 Ms. Patricia Van Gerpen
 Executive Director
 Public Utilities Commission
 State of South Dakota
 500 East Capitol
 Pierre, SD 57501

Ref: TC06-

Dear Ms. Van Gerpen:

On behalf of its member companies attached for filing with the Public Utilities Commission (Commission) are revised pages of the Local Exchange Carriers Association (LECA) Tariff No. 1 (Attachment 1). These revisions were necessitated by revisions in the individual member companies' revenue requirements.

The revised rates included in the attached tariff pages are supported by the calculations in the attached spreadsheets (Attachment 2). The revised rates are proposed to be effective upon PUC approval of the corresponding cost studies. All Interexchange Carriers "of Record" with the PUC will be notified of these revisions upon approval of the rates. The table below shows each of the current and the proposed rates by rate element and by jurisdiction.

Access Rates:	Current Access Rates Effective 8/1/2004		Proposed Access Rates to be Effective Upon PUC Approval	
	Originating	Terminating	Originating	Terminating
Carrier Common Line	\$0.0644	\$0.0788	\$0.0717	\$0.0872
Local Switching	\$0.0223	\$0.0274	\$0.0227	\$0.0267
Local Transport	<u>\$0.0385</u>	<u>\$0.0385</u>	<u>\$0.0381</u>	<u>\$0.0381</u>
Total	<u>\$0.1252</u>	<u>\$0.1447</u>	<u>\$0.1325</u>	<u>\$0.1520</u>

The total decrease in the combined annual revenue requirement is \$174,972 combined with a total decrease in minutes of use, equals an average increase per access minute of \$.0073 for each of the interexchange carriers.

We have included a duplicate copy of this letter and would appreciate your acknowledgment of receipt of this filing by return of the copy appropriately receipted to the address below.

Sincerely,
Local Exchange Carriers Association
